

JOB DESCRIPTION

Job Title:	Rough Sleeper Navigator
Directorate:	Dependent on location
Reporting to:	Relevant Service Manager
Responsible for:	Volunteers

PURPOSE OF THE JOB

The Rough Sleeper Navigators will work in specified local authority areas or across local authority sub regions working with a fixed cohort or identified rough sleepers who require a specialist intervention and multi-disciplinary approach to secure sustainable outcomes. These are in the following areas.

- Sustaining accommodation
- Improve Health and wellbeing
- Engaging and sustaining in formal treatment for those who have substance misuse
- Employment and Education securing a range of educational and employment opportunities. including volunteering.

Working alongside local services, including joining outreach shifts, the Rough Sleeper Navigators are responsible for carrying a case load and working alongside outreach co-coordinator who will facilitate case reviews. Supporting the day-to-day delivery of the programme. They are responsible for:

- Coordinating the transition from the streets or from supported accommodation into an independent tenancy for clients and being the single point of contact for this.
- Building and maintaining working relationships with agencies and individuals who can aid clients in sustaining their recovery and meeting these outcomes.
- Delivering outcomes (as described above) for clients and evidencing their achievement.
- Working with colleagues to address support needs, improving life skills and building recovery networks (networks of support) with agencies, peers and from within the community to ensure clients sustain accommodation, improve health and take up work.

KEY RESPONSIBILITIES

Service Delivery and Outcomes

- Develop and deliver a service that is exceptional in a complex environment and that is creative, professional, holistic and gets results.
- Understand and Operate under a Personalisation and Recovery methodology.
- Understand and utilise Psychologically Informed Practice in the delivery of case management systems, in training and in supervision.
- Employ a detailed knowledge and comply with the terms of relevant legislation, in particular in the areas of housing, homelessness, rough sleeping, health and social care, and immigration.

- Work with Local Authorities, other voluntary and faith-based agencies, outreach teams, hostels, the clearing house and private landlords to increase the choice and opportunities for housing for this group.
- To facilitate joint working and deliver joint recovery plans (with partners, peers and other agencies) and maximize opportunities and outcomes for our clients.
- Engage with clients to motivate them to change away from a street lifestyle, utilizing different motivational techniques, reflective practice and empathetic attitude.
- To work peripatetically, across local authority regions with multiple agencies in diverse areas including employment, health, housing, immigration, family relationships, criminal justice system, drug and alcohol service, welfare and other statutory bodies.
- To supervise Volunteers and Student Placements on the team.

Sustaining Outcomes

- To work with clients to ensure they sustain their recovery, and we deliver to their aspirations around:
 - Sustaining accommodation - supporting clients to exit hostel pathways and live independently in their own homes away from traditional methods of support.
 - Improve health and wellbeing - Completing the Warwick Edinburgh Wellbeing Scale through the client's journey of recovery, linking clients into Mental health, Drug and alcohol services and that they have the tools to sustain their engagement with the appropriate agencies.
 - Accessing Employment and qualifications – Linking clients into Educational, volunteering, part time and full time work opportunities and evidencing it.
 - Positive relationships (with family, friends, peers and practitioners)
- To develop and deliver a personalised recovery network to ensure clients sustain their recovery.
 - Building networks of supports across agencies and the communities in which they live
 - Peer and Volunteer Support
- To challenge bad, poor or indifferent practice where it is harming a client's recovery.

Service Standards & Review

- To monitor the level of outcomes against targets in real time and to work with colleagues to problem solve any short falls against targets.
- To utilise the CHAIN (or other data base for outside of London roles) database fully as both an outcome measurement tool and a case management system.
- To gather evidence of outcomes achieved in line with contract requirements, and work with the Outcomes coordinator to ensure all outcomes are evidenced through CHAIN (or other data base for outside of London roles) as required in order to meet investor and board requirements, and contract obligations.
- To ensure governance of the quality of the work is achieved through:
 - In-house client reviews
 - Multi-agency case conferences
 - Feed into contract reviews and other performance management meetings

GENERAL

- Adhere to St Mungo's Policies and Procedures at all times.
- Cover for other members of the team and division as necessary.
- Be proactive in reviewing and evaluating own performance and identifying and acting upon areas for improvement and development.
- Undertake, as required, any other duties compatible with the level and nature of the post and/or reasonably required by more senior members of staff.
- Attend and participate in divisional and team meetings and other meetings as required.
- Undertake weekend and outreach shifts – Dependent on service needs

This job description covers the current range of duties and will be reviewed from time to time. It is St Mungo's aim to reach agreement on changes, but if agreement is not possible, St Mungo's reserves the right to change this job description.
